Begin With The End in Mind! [Book Gloria](#)

### Reach New Heights!

#### "Principles for Extraordinary Results"

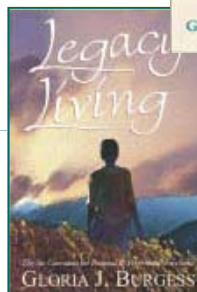

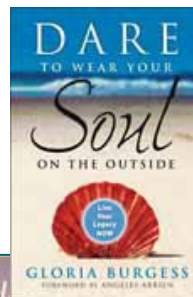

In her life and work, Gloria excels in celebrating and lifting up the magnificence of the human spirit, inspiring organizations and teams to think outside the box and reach new heights of performance. Evocative and engaging, in her keynotes and presentations, Gloria draws on her successful experience as an entrepreneur and executive in the computer and human services sectors.

An award-winning speaker and performer, she is one of the few speakers who integrates insightful commentary, heart-warming stories and artistic mastery. Gloria enjoys speaking to audiences around the world and is often requested to speak on authentic leadership and building bridges across cultural and social divides. Gloria is dedicated to providing organizations with brilliant ideas, services and products that lead to extraordinary results. Her diverse speaking, consulting and executive coaching clients include Fortune 100 companies, professional development organizations, universities, government, non-profits and churches. A keynote speaker like no other, Gloria illuminates, inspires and uplifts the spirit of her audience by connecting with the heart as well as the topic at hand. She is engaging, interactive and focuses on what matters most to you.
