Live "The Life" You Were Meant To! **Book Gloria**

Live & Grow!

"With Purpose & Intention"

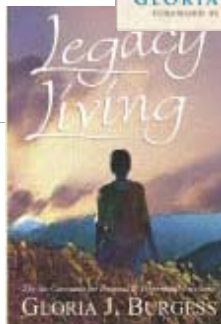

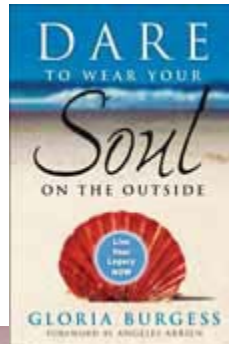

If her life and work, Gloria excels in celebrating and lifting up the magnificence of the human spirit! She teaches women and youth resilience, using the power of their own story to heal and renew. Gloria inspires personal growth by opening pathways for each individual to discover their personal passion and proceed with purpose and intention. When one follows their calling and gives back to others, they make amazing personal transformations. Evocative and engaging in her keynotes and presentations, Gloria draws on her own personal experiences to teach others to live and grow through service and giving.

An award-winning speaker and performer, she is one of the few speakers who integrates insightful commentary, heart-warming stories and artistic mastery. Dr. Burgess enjoys speaking to audiences around the world and is often requested to speak on authentic leadership and building bridges across cultural and social divides. Gloria is dedicated to providing organizations with brilliant ideas, services and products that lead to extraordinary results. Her diverse speaking, consulting and executive coaching clients include Fortune 100 companies, professional development organizations, universities, government, non-profits and churches. Gloria illuminates, inspires and uplifts her audience by connecting with the heart as well as the topic at hand. She is engaging, interactive and focuses on what matters most to you.
